Rec 1

[Glass Ship] cramped + rubbery. airlocks E, seat, instruments ~~panel~~, window  
 x ne {space suit} x Girth (glass still have mats of red algae) <sup>course preprogrammed</sup>  
 x dark shape (y're heavy foot) sit on seat (revolving) {briefly see a reddish curve in space; then they are inside  
 stand. {see metal platform} 5, sitting falls off the city. {airlock opens}

e [Antech] (inner door closed) z. close hatch. x space suit. {outer door opens}  
 - pockets, lamps, my boots, oxygen for 72 hrs.

e [Darkness] turn on lamps (dumb!) g. c. (railing, metal) touch railing {follow it to a box shape}  
 touch box {switches + buttons} push button (light!) [landing platform]  
 capsules, mirror, airwalk E, yr shipw. {mirror ~~is~~ depicts Stalin +  
~~the~~ the words ZVEZDNY GORODOK (Star City) is Cyrillic. {H10?}

e [West Lobby] corridor U, tunnel E blocked by grille. x grille (darkness beyond grille pulls at y like a magnet.)

u [Solar Furnace Control] window, panel, hatch E. x window, x space. x hull (shield, com antenna)  
 x panel (control panel for opening furnace, dials to adjust furnace's focus) e → West Lobby

// x capsules (ZARC, MYASISHEV etc) // switches snap off (in hallway side)  
 // ~~or~~ x switch @ Solar Furnace Ctrl ~~to~~ part it (shields retract) x twisted.

x furnace. (collection tower) x tower (jams at Yeerkonin) piece of metal jammed  
 focus furnace on antenna. (it glows cherry red) (then it melts) (oops)

focus furnace on twisted metal (that works? z<sup>2</sup>; +5) x tower (pipes)  
 focus furnace on tower, z (+15; power!)

(West Lobby) (elev N, posters, carpet) x grille (call button) x elevator (rip in hull, wreckage)  
 push call btn (light green) z. z. (monorail car emerges) enter car. x st. (level)

e [Habitation Cylinder West End] e [Hab. Cyl. Center] glint in core window.  
 e [Hab. Cyl. East End] e [East Lobby] elev, posters, carpet. N [East Surface Elevator] panel (light  
 down btn)

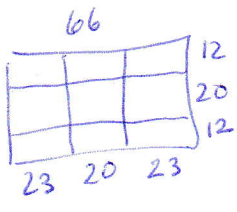

push up (-). push down → [Elevator Shaft] doors W, {seat wrecked} remove suit.  
 W [Avenue of Lenin/Boulevard M] E/W/N/S?  
 + sealed
