(the final and) step 8 - start

paper in book:

[MIRROR] The FIRST PORTAL deserves us all
By making pairs of singles
A perfect match! Yet all illusion
A total likeness! And yet
(As different as left from right)
Forever kept apart by glass
Until the touch of magic stars
Turns glass to air
And image to reality.

Now consider start

Cast tomato
→ copper coin
Small, round,
picture of 

When the light of the Moon illuminates

The Sun that never shines

Then open will the SECOND PORTAL

A dark, forbidding one, that scares

And repels so! Yet victory

Awaits the one who enters it.

The THIRD and FINAL PORTAL stands

In a lone + dreary waste beyond the worlds

Guarded by Gods of Time + War + Love

An offering for each, + you may pass

Each gift should match one guardian.
